

What People Say About Our Programs

The nursing staff are caring, kind, understanding, and supported me during the hardest times.

Kairos is a difficult setting at first, but it provided more benefit than I could have ever imagined.

Anger Management is one of the best groups offered... Everyone should take this course.

The attention I received the first two days made all the difference.

The clinical programming maintained an individual focus.

The facility is very clean, well kept, and the staff in the facilities department are very helpful and pleasant.

The dining menu is fantastic. It's evident a lot of time and thought goes into the planning and presentation.

The activities and exercise opportunities are a real highlight. It provided me with distraction and health benefits.

I felt my spirituality was embraced when I wasn't sure where my relationship with God was. I was not judged, only supported as I sorted things out for myself.
