

We Journey with You

During formation, ongoing formation, personal growth, stressful and transitional times, spiritual and vocational struggles, navigating life's difficulties and decisions, and with behavior and addiction concerns, we are here for you.

Our Approach is to:

- Listen and understand with compassion
- Value and respect each person's personal and spiritual gifts
- Help facilitate self-directed rediscovery of the Lord's presence
- Ignite hope, healing, and happiness
- Help one attain the highest level of functioning and quality of life
- Restore one's physical, behavioral, and spiritual well-being for return to appropriate and effective ministry

We are:

- Companions along the journey to one's healing, recovery, renewed health, and wellness
- Fully committed to providing the resources needed to live a successful and fulfilling life
- Here to help advance the health and wellness of those who have dedicated their life to the church.

Highlights of our Ministry with Client Comments

Saint John Vianney Center serves Catholic Clergy, Consecrated Men and Women Religious, and Clergy of major Christian Denominations worldwide. We provide holistic, evidence-based, comprehensive programs, services, and resources.

614 Dioceses and Religious Communities served since 2000 in our inpatient and outpatient programs.

"The center exercises a true ministry that really benefits the Catholic Church."

5,000/Year Priests, Brothers, and Sisters reached in our education and wellness programs through our Consultation, Education and Outreach Department.

"We appreciated learning there is much we can do to help ourselves cope effectively with stress and anxiety in our busy roles."

1,184 lbs lost by residents in our weight management and wellness program in the last two years.

"This program was the jumpstart I needed toward a healthier lifestyle."

365 Days per year Mass and the Eucharist are celebrated in our on-site Chapel. The Chapel is open 24 hours for personal and communal prayer. SJVC has a full-time chaplain.

"Daily Mass and Eucharist sustained me while I was going through the most difficult time in my life."

2X/Week Residents are seen by their therapist.

"Individual and group therapy were both vital to my recovery, health, and self-care."

44 Activities for residents including exercise, fitness, arts and crafts, and group activities creating positive experiences and habits for life-long health.

"I am grateful for your program and activities. I am clearly invigorated and renewed."

12 Months Robust Continuing Care post-discharge ensuring highest level of functioning.

"I experienced great support, continued growth and motivation which was helpful and effective."

Countless ways our nursing and medical staff assist residents including 24 hr. patient-centered care, prescription management, acute and chronic conditions (diabetes, hypertension, COPD), physical and occupational therapy.

"I have total confidence in the services you provide. You met me where i was at and helped me get to a better place."

Safe, supervised, comfortable, community setting.

"Insights gleaned from fellow residents deepened my understanding and appreciation for the help I needed."
