Our Ministry

We provide holistic, evidence-based and comprehensive programs, services, and resources for Clergy and Religious worldwide for those in initial and ongoing formation, during active ministry, in retirement, and through all of life's changes and transitions, until God's eternal call.

We journey with you.

We listen first. We understand with compassion. Just like Jesus walking with the disciples on the road to Emmaus, we are companions on the journey with our brothers and sisters. We strive to bring the hope and joy of the Risen Christ to His disciples.

Residential Treatment

The Saint John Vianney Center provides residential treatment services integrating Catholic principles and evidence-based practices. Working with our experienced interdisciplinary team, our residents receive individualized care and the opportunity to experience a deeper relationship with God, self, and others for stabilization, restoration, and renewal of growth and wellness in mind, body, and spirit.

Our ministry cultivates hope, healing, happiness, and improved quality of life. The greatest testament to our ministry is knowing that we have provided supportive and practical tools for use upon discharge and return to appropriate, fulfilling, and effective ministry.

Continuing Care

Our continuing care coordinators assist in integrating what has been learned in order to appreciate one's God given talents and lead a successful and fulfilling life.

A wellness plan is developed and an integration support team is established prior to discharge. The wellness plan identifies triggers and potential obstacles as well as goals and strategies for the individual to implement and strive to achieve.

Implementation and compliance of the wellness plan and prescribed outpatient treatment is maintained by monthly contact with the individual and diocesan/ congregational leadership for a minimum of 12 months.
